Our Approach to Pre-School

Autumn 1	<p><i>We have a strong focus on the Prime Areas of Learning: Communication &amp; Language, Personal, Social, Emotional and Physical development. Other areas of the curriculum are also covered throughout the year.</i></p> <p><i>We take every opportunity to follow the children's interests. In addition to this, we have <b>four themes</b> which repeatedly reoccur throughout the year, ensuring the children have a broad and balanced curriculum.</i></p> <ul style="list-style-type: none"><li>• <b>I am special, I am ME</b> (Themselves, family, friends, feelings)</li><li>• <b>My world</b> (Animals, where we live, in the garden, growing, weather etc)</li><li>• <b>Let's celebrate</b>- We celebrate many different religious festivals and cultural events throughout the year</li><li>• <b>The Seasons</b>- We develop a love of nature and explore the changes in the seasons during the year</li></ul>
