# Evidencing the Impact of the Primary PE and Sport Premium

Website Reporting Tool Revised July 2022

**Commissioned by** 

Department for Education

mille

Created by

It is important that your grant is used effectively and based on school need. The <u>Education Inspection Framework</u> makes clear there will be a focus on 'whether leaders and those responsible for governors all understand their respective roles and perform these in a way that enhances the effectiveness of the school'.

Under the <u>Quality of Education</u> Ofsted inspectors consider: Intent - Curriculum design, coverage and appropriateness Implementation - Curriculum delivery, Teaching (pedagogy) and Assessment Impact - Attainment and progress

To assist schools with common transferable language this template has been developed to utilise the same three headings which should make your plans easily transferable between working documents.

Schools make additional sustainable improvements must funding to and Physical Activity (PESSPA) to the Physical Education, School Sport and quality of they offer. This means that you should use the Primary PE and sport premium to:

- Develop or add to the PESSPA activities that your school already offer
- Build capacity and capability within the school to ensure that improvements made now will benefit
  pupils joining the school in future years
- The Primary PE and sport premium should not be used to fund capital spend projects; the school's budget should fund these.

Pleasevisit<u>gov.uk</u> for the revised DfE guidance including the 5 key indicators across which schools should demonstrate an improvement. This document will help you to review your provision and to report your spend. DfE encourages schools to use this template as an effective way of meeting the reporting requirements of the Primary PE and Sport Premium.

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend.

Schools are required to <u>publish details</u> of how they spend this funding, including any under-spend from 2021/2022, as well as on the impact it has on pupils' PE and sport participation and attainment. All funding must be spent by 31st July 2023.

We recommend regularly updating the table and publishing it on your website throughout the year. This evidences your ongoing self-evaluation of how you are using the funding to secure maximum, sustainable impact. Final copy must be posted on your website by the end of the academic year and no later than the 31st July 2023. To see an example of how to complete the table please click <u>HERE</u>.

C

### **Richmond Academy** Academic Year 2023-24

#### Rationale

At Richmond Academy we aim to build on children's natural enthusiasm for physical exploration by providing stimulating, purposeful and challenging experiences through games, dance, gymnastics, swimming, athletics, the daily mile and outdoor and adventurous activities. We aim for as many pupils as possible to engage in activities that promote their physical development including being involved in competitive sports.

We know from evidence that physically active children are not only healthier but do better academically and in life; they are far more likely to be active as adults. The first ten years of life provide children with a blueprint for their adult lives and is the time when they develop the critical fundamental movement skills that act as foundations and building blocks for future activity.

#### Summary of Proposed activity for 2023-24

- Improve participation in daily physical activity
- Maintain and promote a positive culture towards PE and physical activity
- Further develop staff confidence and expertise
- Increase activity in competitive sports

#### Intended Impact of the Pupil Premium / Sports Funding

- There is strong evidence that all children access a curriculum that is varied, and children participate in a range of physical exercise and games.
- Most pupils have positive attitudes towards physical activity, and they enjoy the daily physical challenges.
- Children receive at least a good standard teaching in PE and this is evident from monitoring teaching and learning.
- Specialist staff and coaches are used to ensure that children receive a better quality of education; staff learn how to teach PE from the modelling and demonstration of these coaches.
- School assessment shows that most pupils are working at age-related expectations in most year groups.
- The level of achievement in PE is good or better in Early Years and both Key Stage 1 and 2. Pupils make good progress from their starting points.
- Feedback from pupils shows improved attitudes towards sports and physical activity and in turn stronger mental health and well-being.
- Links with other local primary schools and secondary schools are very strong and participate in inter-school competitions and sporting events throughout the year. There is a good range of extracurricular sports clubs for pupils throughout school. This not only develops sporting ability and confidence but also develops social skills.
- This year the children competed in a range of events and competitions.
- The academy has also achieved the Gold School Games Award.

It is intended that the above actions will be sustainable over time as they focus on:

1. the engagement of all pupils in regular physical activity Supported by: 🖓 😚 BROATHOD CONTROL OF COACHING LOSS Marrows

- 2. raising the profile of PE and sport across the school as a tool for whole-school improvement
- 3. increased confidence, knowledge and skills of all staff in teaching PE and sport
- 4. broader experience of a range of sports and activities offered to all pupils
- 5. increased participation in competitive sport

#### Review of our previous strategy

Key achievements to date:	Areas for further improvement and baseline evidence of need:
<ul> <li>6. the engagement of all pupils in regular physical activity</li> <li>We have 2 hours of PE curriculum time for all year groups</li> <li>All pupils bring their PE kit for all PE lessons</li> <li>Breakfast club activities promote mental and physical health and well-being</li> <li>All classes have access to physical activities and equipment for playtimes</li> <li>Wow PE experience days – Freddy Fit / Skipping / Sports Events</li> <li>7. the profile of PE and sport is raised across the school as a tool for whole-school improvement</li> <li>PE Policy updated and linked to the Academy Improvement Plan</li> <li>Assemblies celebrating sporting success/events</li> <li>Noticeboards in place displaying certificates and information</li> <li>Playtime activities increase activity and fitness levels</li> <li>8. increased confidence, knowledge and skills of all staff in teaching PE and sport</li> <li>Progressive units of work in place for all PE lessons</li> <li>Assessment framework for PE developed and implemented</li> <li>CPD Opportunities for academy staff to work alongside specialist sport coaches for Games and to observe good practice</li> <li>9. broader experience of a range of sports and activities offered to all pupils</li> <li>Extensive range of after school clubs available to all pupils from Reception – Year 6</li> <li>All year groups can attend sporting various weekly sports clubs</li> <li>A range of school sports clubs for children to attend including, athletics, netball, football, handball, fencing, rounders and multi-sports</li> <li>10. increased participation in competitive sport</li> </ul>	<ol> <li>the engagement of all pupils in regular physical activity</li> <li>Daily Physical Activity is built into every school day for all pupils – national recommendation for 30 minutes every day</li> <li>the profile of PE and sport is raised across the school as a tool for whole-school improvement</li> <li>Curriculum Weeks/Days/topics/assemblies to encourage pupil participation, raise the profile of PE by focusing on health, fitness and well-being</li> <li>increased confidence, knowledge and skills of all staff in teaching PE and sport</li> <li>Further CPD training needs identified in gymnastics</li> <li>ECT induction to ensure staff are confident in the delivery of PE</li> <li>broader experience of a range of sports and activities offered to all pupils</li> <li>Survey and audit pupils more regularly to gain pupil voice and to allow pupils to shape a greater physical activity offer throughout the academy</li> <li>Continue to develop the role of the Health Champions &amp; Mini Sports Leaders in the promotion of school sport and exercise</li> <li>Promotion of more pupils accessing sporting events across all year groups with evidence of this , especially pupils with SEND</li> <li>Rigorous monitoring of pupil participation in clubs and sporting events</li> <li>increased participation in competitive sport</li> <li>Increase the number of less physically active children taking part in competitive sport</li> </ol>

•	Attending a variety of sporting events and competitions run by OCL and also Trust competitions	
٠	Greater percentage of children attending sporting festivals and competitions from all year groups	

## Academy Swimming Data

Meeting national curriculum requirements for swimming and water safety	Please complete all of the below*:
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?	70%
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	60%
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	75%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity <b>over and above</b> the national curriculum requirements. Have you used it in this way?	Yes/ <mark>No</mark>

## Action Plan and Budget Tracking

Capture your intended annual spend against the 5 key indicators. Clarify the success criteria and evidence of impact that you intend to measure to evaluate for students today and for the future.

Academic Year: 2023/2024	Total fund allocated: £19, 000	Date Updated:	08-06-2023	
Key indicator 1: The engagement of a primary school children undertake at			ficer guidelines recommend that	Percentage of total allocation: 30%
School focus with clarity on intended <b>impact on pupils</b> :	Actions to achieve:	Funding allocated:	Evidence and impact:	Sustainability and suggested next steps:
Introduce active sessions as part of breakfast club activities for all pupils to access and improve concentration before lessons start.	available during breakfast club	£1000	Pupils being physically active at breakfast club and taking part in the daily mile has seen an increase in the pupil's concentration levels with more pupils participating in lessons within the classroom. A greater understanding from pupils of why it is important to keep fit is also evident across the academy.	To further develop the completion of the Daily Mile and how we keep the momentum throughout the academic year.
Ensure all Year 3 pupils participate in swimming sessions during the academic year.	,	£2,800		

Continue to encourage all pupils to engage in the Daily Mile to increase pupil's fitness levels and daily exercise.	class participation and share successes in weekly whole school		Increased participation of daily mile at playtimes and lunchtimes is evident	Continue with the daily mile and relaunch again in September to motivate pupils to participate.
To introduce skipping activities. To refresh 'exercise' and equipment	<ul> <li>assembly using the award system</li> <li>All staff to encourage daily mile participation at playtimes with their own classes/year groups</li> <li>Ensure skipping ropes available for use and to encourage regular</li> </ul>	£475	Skipping ropes purchased for use at playtimes and lunchtimes and is part of their physical activity when outside. Pupils regularly use skipping ropes during playtime increasing activity levels.	regular activity during playtimes/lunchtimes.
boxes for each class to use at playtimes.	they would prefer	£500 £1000		replenished regularly.
Develop the role of Health Champions to involve pupils in improving their mental health and physical activity levels at school.	<ul> <li>Link Health Champions with the CLT and develop their role within the academy</li> <li>Health Champions to attend termly meeting organised by OCL to deliver their health message</li> <li>Identify a team of Health Champions to promote and improve mental health and physical activity levels</li> <li>Health Champion resources (badges)</li> </ul>	£100	Health Champions motivated and encouraged more pupils across the academy to participate in physical activity. They confidently delivered their messages through whole school assemblies each term. Health Champions attended their own sessions to help them deliver the key messages and were elected through a democratic process from their peers.	and physical health and well-being or pupils with more regular updates and visibility across the academy.
Arrange an academy based Physical Activity Festival as part of curriculum week.			All pupils participated in Freddy Fit sessions in the Autumn Term which promoted physical exercise and its importance. A variety of sporting events took place within the Trust, and borough- wide. Site pitches were used to facilitate the Harmony Trust Football tournaments which were accessed by more pupils this year – boys and girls.	Trust site pitches to further enhance physical activity in and out of the school day.
	Supported by: 🔏 😚		More pergile More active More effen	

Train pupils to be Mini Sports Leaders to increase physical activity levels and develop pupils' leadership skills.			Mini Leaders in place to support pupils in sporting activities especially in KS2.	
Key indicator 2: The profile of PE and	sport being raised across the school	as a tool for who	le school improvement	Percentage of total allocation:
	1		1	10%
School focus with clarity on intended <b>impact on pupils</b> :	Actions to achieve:	Funding allocated:	Evidence and impact:	Sustainability and suggested next steps:
Continue to celebrate school sport successes across the academy to raise the profile of PE and Sport to pupils, parents and visitors.	<ul> <li>Display regularly updated</li> </ul>		PE and Sport successes are shared and celebrated during whole school, unit assemblies, newsletters and via web blogs on the website. Certificates and trophies are proudly displayed to celebrate and increase pupil participation in sporting events.	achievements by inviting parents to attend
Continue to include sporting achievements during celebration assemblies to ensure the whole school is aware of the importance of PE, Sport and Physical Activity and to encourage pupils to take part.	<ul> <li>Children rewarded for sport/ activity effort/ achievement</li> </ul>			

Certificates of participation in competitions, festivals and events are displayed within the academy, raising the profile of PE and Sport and celebration pupil's participation.	<ul><li>celebration assembly</li><li>Results board maintained in down</li></ul>		
Include a sports section in the academy newsletter re: participation in sports events, competitions and festivals, encouraging pupils to take part and informing parents of the whole school's commitment to PE and Sport.	<ul> <li>Sports successes shared on newsletter</li> <li>Clubs to be promoted via newsletter, twitter and website</li> <li>Newsletter to signpost to community opportunities particularly during academy closure</li> <li>Post achievements on 'twitter'/class pages</li> </ul>	 ,	PE Lead to develop a termly sports newsletter to share successes of sporting achievements, upcoming events and to signpost to clubs outside of the academy.
Further develop Our Approach to PE and share ensuring it feeds into whole academy plan, raising the profile of PE and sport across the academy	<ul> <li>Update Our Approach to PE and share with whole staff</li> </ul>	Our Approach to PE is under review and will be shared whole school when complete.	

Key indicator 3: Increased confidence,	knowledge and skills of all staff in t	eaching PE and s	port	Percentage of total allocation:
				10%
School focus with clarity on intended <b>impact on pupils</b> :		Funding allocated:	Evidence and impact:	Sustainability and suggested next steps:
Specialist CPD used to upskill staff to improve pupil progress and achievement in PE and sport.	, 3		Additional PPA time for sports development is planned for teacher's each week to observe specialist sport coaches and update their skills, knowledge and understanding of sports and its planning and delivery of PE.	through the academy's CPD offer
Increase staff knowledge of PE activity areas (e.g. Games) through working alongside a PE Specialist, to improve the quality of PE lessons.	<ul> <li>Identify training needs of support staff</li> </ul>		CPD organised for ECTS and ITT participants to uplevel their teaching of PE.	
Support ECT's access to ongoing training to equip them with the knowledge, skills and confidence to teach high quality PE.	<ul> <li>Audit ECT's confidence in planning</li> </ul>			
Key indicator 4: Broader experience or	f a range of sports and activities off	ered to all pupils		Percentage of total allocation:
				50%
School focus with clarity on intended <b>impact on pupils:</b>		Funding allocated:	Evidence and impact:	Sustainability and suggested next steps:

Encourage all year groups to attend a broader range of competitions, including new events, enabling pupils to access a broader range of activities.	<ul> <li>can participate in ensuring a range of activities for a variety of year groups</li> <li>Organise transport and cover</li> </ul>	Cluster £1,250	throughout the year with a higher proportion of pupils representing the	offered to a wider range of pupils to participate and engage in.
Attend at least 1 SEND competition per term, enabling SEND pupils to access a broader range of activities.	<ul> <li>Work with academy SENCO/SEND</li> </ul>		The Harmony Trust SEND Roadshow(organised and run by OCL) was held twice this year and was successfully attended by a higher number of pupils from across the academy.	pupils to engage and participate in sporting events
Hold a skipping event to celebrate the benefits of exercise.	<ul><li>Attend skipping workshops</li><li>Benefits of exercise</li></ul>	None	units and were developed through	Further develop skipping and how skipping supports pupils exercise regime.
Deliver a range of after school and extra physical activities at lunchtime and after school.			Extra-Curricular Lead created a schedule of after school activities for pupils across the academy ensuring a balance of sporting, creative and social activities for pupils to access. Sporting after school physical activities were well sought out with higher numbers of pupils participating this year.	Further develop the extra- curricular activities schedule available throughout the academic year with an increased diet of sporting activities to engage in.
Key indicator 5: Increased participatio	· · · ·			Percentage of total allocation:
				0%
School focus with clarity on intended <b>impact on pupils</b> :	Actions to achieve:	Funding allocated:	•	Sustainability and suggested next steps:

Increase pupils' participation in the academy games.	,	above	Liaised with Harmony Trust Sports Co-Further develop intra-trust league ordinator to maximize opportunities in a variety of sporting disciplines. for pupils to participate in a range of intra-trust competitions. More pupils participated in intra- competitions and returned successful with certificates, medals and trophies.
Further develop intra-competition challenges to encourage pupils to enjoy taking part in school-based competitions.	competition programme and gain
