## Further Information Regarding the Wider Opening of our Academies in Oldham

12<sup>th</sup> June 2020

I am writing to update you with important information regarding our plan for the wider opening of our Oldham academies.

On Friday 5<sup>th</sup> June our board of trustees made **the decision to postpone the wider opening of our academies in Oldham for one week**. During this week we have reviewed the information currently available including that from Oldham's Director of Public Health.

The decision has now been made that **we will begin to welcome Year Six pupils back to our academies during the week of 15<sup>th</sup> June 2020**, this is assuming that no further information is received that will alter this decision. This approach is fully supported by our board of trustees and academy leadership teams.

If your child is due to come back to school a member of the academy team will make contact with you early next week so that arrangements can be made.

Our staff have worked tirelessly to ensure that risk controls are in place and throughout have considered the safety of our staff, our children and their families. **We continue to provide places for vulnerable pupils and children of key workers during this time**. Should you require a place please contact the individual academy

Thank you for your continued support.

Yours sincerely
